Dear Ms. Middleton:

RE: Jeremy Rodrigues and 'At Home' Respite Funds

I am in receipt of your letter dated October 28, 1998, received via fax on November 3, 1998.

While the funds you are referring to are only a 5% reimbursement of our actual treatment costs for our son's physician prescribed autism treatment and only one of the programs that our son is eligible for. We will accept the funds.

We are awaiting similar approval for the 'in home day care' funds.

Please mail the 'At Home Respite Funds' to our home address below at your earliest convenience.

Thank you.

Sincerely,

Barbara Rodrigues

Joe Rodrigues
